

Carts Belize

Tour our beautiful island of Ambergris Caye on a comfortable and dependable golf cart from Carts Belize. Golf carts are the Caye's most popular mode of transportation. All our carts have an extended roof, headlights, fold down windshield, horn and lockable trunk. 4 and 6 seater carts are available. We are located on Coconut Drive right across from Tropic Air.

(Follow the red arrow on the map)
 We offer hourly, daily & weekly rentals at competitive prices. Call us and reserve a cart for the time you are here and we will deliver it to your doorstep or you can stop at one of our **...Ready to go... locations:**
 In town right across from Tropic Air/Airstrip or Seagrape Drive next to Xanadu Island Resort.
